

# THE KOOLEST KOLORS ON THE PLANET

Unique, top quality custom paints with sharp, vivid colours - the House Of Kolor trademark. There are plenty of pretend "custom paints" on the market, but House Of Kolor is the real deal and undoubtedly, the choice of top show cars around Australia.

## BASE COLOURS

- > Graphic Kolors (SG series)
- > Metallics (BC/FBC series)
- > Designer Pearls (PBC series)
- > Kandy Basecoats (KBC series)

Our incredible range of Shimrin universal bases are easy to apply for painters with good trade skills and come in a striking array of colours. Due to their non-catalysed chemistry, they can be top coated with either acrylic or 2K clears with the advantage of relatively easy touch-ups. Suitable for Special Effect Overlays and Bare Metal Resprays.

Colour Chips book now available for just \$25  
Part no: HOK36303

## DRY PEARLS & FLAKES

- > Ice Pearls (IP series)
- > Kosmic Pearls (KDP series)
- > Kameleon Pearls (KPF series)
- > Flakes (F/MF/UMF series)

Brilliant glitter effects can be created by simply adding to our basecoats, kandys, intercoat clear or acrylic and 2K clear top coats. Easy to apply for painters with good trade skills and ideal for Special Effect Overlays.

Colour Chips book now available for just \$25  
Part no: HOK36603

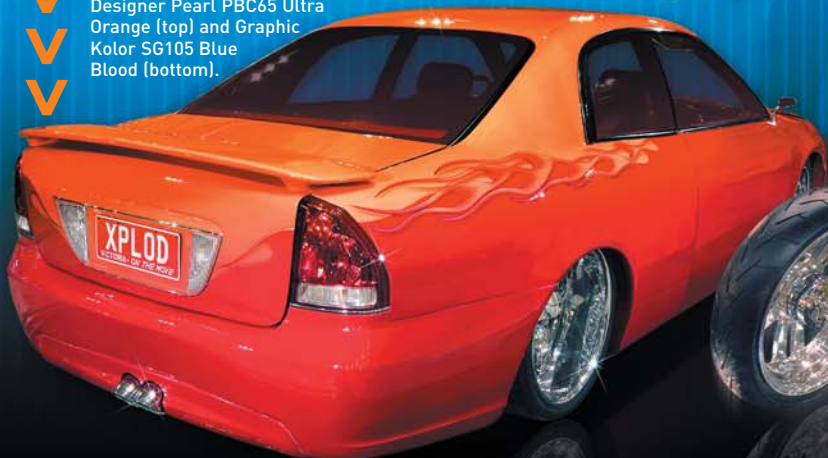

## URETHANE KANDYS (UK/KK series)

The ultimate showcar paint finish. Incredible depth of colour and sensational effect in sunlight. Very high degree of trade skill required and should only be used by experienced custom painters. Suitable for Special Effect Overlays and Bare Metal Resprays.

Colour Chips book now available for just \$25  
Part no: HOK36503
